## Frances Xavier Cabrini: The People's Saint

...a 50-minute documentary by Lucia Mauro that premiered in 2017 during Mother Cabrini's Centenary Year and chronicles the life of the Patroness of Immigrants and first American Citizen Saint. In the film, she is explored as a fearless, roll-up-her-sleeves business and spiritual woman who ministered to those in need, including immigrants, children, the poor and the sick. It is relevant for our times -- especially through those living her mission today.
